A Celebration of Avila's Jubilee Year: Calendar of Events

The President, the Board of Trustees, the Faculty, and the Students of Avila College are happy to announce that the College will celebrate its Golden Jubilee during the academic year 1966-1967.

Avila College began as a two-year institution fifty years ago. Twenty-five years ago, the first women to receive baccalaureate degrees from the College were graduated. Avila commemorates these anniversaries with a twelve-month celebration.

Throughout the year, symposia, lectures, concerts and exhibitions will highlight the Jubilee. We invite our friends to enjoy these events with us.
